About CDL Training

The Commerical Driver's License (CDL) training program is offered through Workforce Solutions at MCC in Madisonville, Ky.

The CDL program is designed for individuals with little or no commerical driving experience in preparation for an entry-level position in the trucking industry. Individuals will receive a Department of Transportation (DOT) physical; CDL learner's permit and endorsement preparation; DOT rules and regulations; log books; and training in map reading, trip planning, and vehicle operation. The program also includes the Class A road test.

Credentials

Upon completion of the program, individuals will receive a certificate as proof of successful course completion.

Program Schedule

The full-time program can be completed in three weeks by attending Monday-Friday each week and one Saturday or additional agreed upon day from 7 a.m. to 5:30 p.m. In addition, 30 hours of home study is required for both the full-time and part-time schedule.

Registration Information

Individuals may register at anytime; however, class sizes are limited. Enrollments are accepted on a first-come, first-served basis. Full-time programs start every two weeks, depending on enrollment. Training is scheduled around holidays and interruptions caused by weather or other unforeseen circumstances.

Program Entry Requirements

Individuals must be able to read and write the English language, be over 21 years of age, be able to meet the Federal Department of Transportation (DOT) physical requirements, and have a valid driver's license at the time of registration. Those 18 to 21 years of age may train through this program, but they will have limited job placement training.

The following circumstances may disqualify individuals from the program:

- 1. Driving record inconsistent with industry standards for entry-level driving positions.
- 2. Any alcohol-related violations on motor vehicle record within the past three years.
- 3. Recent felony convictions or criminal background.
- 4. History of drug or alcohol abuse.
- 5. History of a mental disorder.
- 6. Permanent disability or physical limitations.
