PLACEMENT TESTING POLICY

Placement exams are required of all incoming degree-seeking freshmen and, like all public higher education institutions in Kentucky; MCC observes a mandatory placement policy. Students who do not meet these minimum scores (English (18) • Reading (18) • Math (18)) on the ACT will be required to take either the Compass or the Asset for appropriate course placement. Students who do not take the ACT should plan to take either the Compass or Asset. Test scores must be less than 5 years old and are required to be submitted prior to student registration.

The MCC Assessment Center administers the Compass test by appointment only. Interested students should contact the Assessment Center (824-7107) in order to make an appointment to take the Compass or for more information. The Asset is given in Muhlenberg and Hopkins Counties. Contact the CAP Center for more information (824-8621). You may register for the ACT online at www.actstudent.org.
