Crosswalk – Aviation Maintenance Technology

New Courses		Old Courses	
ATE 299	Selected Topics in Aviation Maintenance Technology: (Topic)	AMT 299	Selected Topics in Aviation Maintenance Technology: (Topic)

Crosswalk – Biomedical Technology Systems (Previously Healthcare Technology Management)

New Courses		Old Courses	
BTS 100	Biomedical Technology Systems: A Career Perspective	HTM 100	The Healthcare Technology Management Profession
BTS 110	Environmental Risks and Precautionary Measures for the BTS Service Professional	HTM 110	Environmental Risks and Precautionary Measures for the HTM Service Professional
BTS 120	Essentials of Biomedical Electronics I	HTM 120	Essentials of Biomedical Electronics I
BTS 125	Essentials of Biomedical Electronics II	HTM 125	Essentials of Biomedical Electronics II
BTS 130	Medical Equipment Management I	HTM 130	Medical Equipment Management I
BTS 140	Science Principles Employed in Medical Technologies	HTM 140	Science Principles Employed in Medical Technologies
BTS 200	Patient Care Support and Management Systems	HTM 200	Patient Care Support and Management Systems
BTS 210	Diagnostic Medical Equipment and Non-Radiographic Imaging Modalities	HTM 210	Diagnostic Medical Equipment and Imaging Modalities
BTS 220	Laboratory Devices, Instruments, and Analyzers	HTM 220	Laboratory Devices, Instruments, and Analyzers
BTS 230	Medical Equipment Management II	HTM 230	Medical Equipment Management II
BTS 250	Introduction to Medical-Based IT Networks and Standards	HTM 250	Introduction to Medical-Based IT Networks and Standards
BTS 260	Radiographic Imaging Modalities	HTM 260	Radiographic Imaging Modalities
BTS 270	Therapeutic Equipment Modalities I	HTM 270	Therapeutic Equipment Modalities I
BTS 275	Therapeutic Equipment Modalities II	HTM 275	Therapeutic Equipment Modalities II
BTS 280	General Care Monitoring and Instrumentation	HTM 280	General Care Monitoring and Instrumentation
BTS 285	Critical Care Monitoring and Instrumentation	HTM 285	Critical Care Monitoring and Instrumentation
BTS 290	Clinical Experience in Biomedical Technology Systems	HTM 290	Clinical for the Healthcare Technology Management Professional
BTS 299	Selected Topics of Investigation in Biomedical Technology Systems	HTM 299	Selected Topics of Investigation in Healthcare Technology Management

Crosswalk – Computer & Information Technologies

New Courses		Old Courses	
CIT 143	C# I	CIT 143	COBOL I
CIT 144	Python I	CIT 144	Flash Programming with Action Script I
CIT 161	Introduction to Networks	CIT 161	Network Fundamentals
CIT 212	Connecting Networks	CIT 212	Accessing the WAN
CIT 213	Microsoft Client Configuration	CIT 213	MS Client/Server Config
CIT 214	Microsoft Server Configuration	CIT 214	Server Infrastructure Admin
CIT 243	C# II	CIT 243	COBOL II

Crosswalk – Dental Assisting/Dental Hygiene

New Courses		Old Courses	
	Dropped	DAH 120	Dental Assisting I
	Dropped	DAH 220	Dental Assisting II

Crosswalk – Equine Studies

New Courses		Old Courses	
EQS 125	Equine Nutrition	EQS 125	Equine Health and Nutrition

Crosswalk – Mechatronic Systems

New Courses		Old Courses	
MES 110	Mechatronic Systems Electrical Components	MS 110	Mechatronic Systems Electrical Components
MES 120	Mechatronic Systems Mechanical Components	MS 120	Mechatronic Systems Mechanical Components
MES 130	Mechatronic Systems Hydraulic/Pneumatic Components	MS 130	Mechatronic Systems Hydraulic/Pneumatic Components
MES 150	Mechatronic Systems Programmable Logic Controllers	MS 150	Mechatronic Systems Programmable Logic Controllers
	Dropped	MS 160	Systems Troubleshooting I
	Dropped	MS 190	Systems Thinking I
